

HOW TO STAY ON TOP OF EXAMS AND REVISION

Think realistically and be realistic with your time - an over ambitious revision timetable is going to stress you out and leave you feeling like a failure.

Although it might feel daunting, getting started is always better than doing nothing.

Reward yourself regularly and don't forget to take breaks!

Take one step at a time and avoid thinking about the worst case scenario - don't let your thoughts snowball!!

Revise and do the best that you can do - that is all that you can do.

Check out the web for lots of useful resources - we recommend Young Minds, The Mix and the Student Room as places to look for tips and help.

You can call Samaritans on 116 123 or Childline on 0800 1111

If you need support between 5pm-9am weekdays, you can call 0800 028 8000 to speak to someone at the local NHS Trust Crisis Line. This is also open 24 hours on weekends and bank holidays.

Professionals or other adults can also make a referral to CAMHS (Child & Adolescent Mental Health Services), to access regular ongoing support or counselling.
